We have read and agreed to the details presented in this document.

About Ewands

We provide everything in between to keep you e • Happy. So let's get started! We began as a sole proprietorship named Flexysoft Enterprise in 2004. Then the sole owner and our current director, Mr Deric Lau, converted the business to a strong entrepreneurial company through a well-managed expansion plan growing to a team of 5 with 30 strategic business partners. Ewands Sdn Bhd was born as a private limited company in 2007. With a young, energetic and dedicated team, we at Ewands are committed to the highest level of quality in serving clients.

Our core business focus is to help you with customized software solutions on the internet, intranet and extranet, consisting of user experience and functional design. We also provide websites in various packages with multimedia design and copy writing. We have been growing with our clients for the last decade and they are more than confident that our developers and designers will deliver whatever the industry demands.

Our vision is all about creating a continuously committed e • Service provider in the e • Industry. We aim to become a market leader and to reach further global achievement by 2020. Right now we work hard to serve customers in United States, China and South East Asia.
